INVITED TALKS

- 2026 Spring CEP 416 Teaching and Learning with Technology Guest Speaker **Feb. 2026**
- 2025 Fall AI Teaching & Learning Workshop **Sept. 2025**

PROFESSIONAL & RESEARCH EXPERIENCE

College of Education, Michigan State University

Aug. 2023-Present

Graduate Research Assistant

East Lansing, MI

Project title: Postsecondary Education: Autistic Collegians' Experiences of Success (Spencer Foundation & FAR funded)

Supervisor: Dr. Bradley E. Cox

- Designing bot detection criteria to screen out inattentive and ineligible data in survey responses
- Cleaning, recoding, and analyzing survey data on SPSS to generate quantitative findings
- Conducting interviews and analyzing qualitative data on Dedoose to understand autistic college students' college experiences, focusing on students' academic learning and career development
- Writing manuscripts and grant proposals independently and collaboratively to share the research outcomes

Department of Sociology, Wilfrid Laurier University

Jan. 2023-Jun. 2023

Graduate Research Assistant

Waterloo, ON

Project title: Syrian Refugees: Gender-Based Analysis and ADAPTation (SSHRC funded)

Supervisor: Dr. Juaane Clarke

- Created the dataset codebook and collected quantitative demographic data from 100 structured interview transcripts to understand Syrian refugees' experiences of moving to Canada
- Conducted descriptive analysis (frequencies and crosstabs) on SPSS to examine the categories of demographic data of Syrian refugees in Ontario, Canada

OISE, University of Toronto

Nov. 2021-Aug. 2023

Graduate Research Assistant

Toronto, ON

Project title: Sustainability Tracking in Higher Education-Learning from Universities Around the World (SSHRC funded)

Supervisor: Dr. Elizabeth Buckner

- Collected mission and vision statements of 3,000+ global universities on Excel and conducted quantitative analysis on Stata to investigate indicators affecting statements' mentioning sustainable development
- Conducted and coded over five interviews with institutional leaders from sustainable development offices of global higher education institutions to examine the alignment between institutional initiatives, curriculum, and sustainability rankings.
- Co-planned and facilitated the After2030 Workshop to engage 40+ leading scholars and practitioners to reflect on the achievements, weaknesses, and future for the inclusion of Sustainable Development Goals (SDGs) in higher education

Centre for International Experience (CIE), University of Toronto

May 2022-Apr. 2023

International Student Experience (ISE) Ambassador

Toronto, ON

- Researched academic resources at each faculty's website to support students from diverse educational programs
- Proficiently used Microsoft Suite (Outlook, Teams, Word, Excel, SharePoint) to address students' emails and communicate with colleagues
- Introduced CIE to 50+ international students to guide them on how to access and use resources regarding immigration documents, student insurance, study abroad opportunities, and scholarship
- Presented at the 2023 Winter Graduate School Orientation to introduce the CIE service information to newly admitted international students

PROFESSIONAL LEADERSHIP ACTIVITIES

HALE Graduate Research Committee (GRC)

Sept. 2023-Present

Conference Planning Committee

East Lansing, MI

- Developing process of recruiting presenters and attendances and synthesizing themes of conference and sessions to construct the program of a one-day conference in 2024 and 2025
- Communicating with presenters, attendants, and the committee group to finalize logistics of the conference and accommodate any needs from presenters and attendances
- Facilitating one to two conference sessions to engage participants and presenters in discussions

OISE International Student Association (ISA)

Jan. 2022-Jan. 2024

President

Toronto, ON

- Coordinated 10+ ISA information sessions for over 100+ OISE international students to become familiar with institutional resources
- Communicated with the faculty Associate Dean to solve international students' academic concerns and navigate better educational and career support for international students
- Budgeted food and travel costs of two in-person travel events for logistics planning

TEACHING EXPERIENCE

LB 492 Liberal Arts Capstone Seminar (Undergraduate)

Aug. 2025-Sept. 2025

Co-instructor

East Lansing, MI

- Co-designed syllabus and learning activities to teach students basic concepts of artificial intelligence, such as natural language processing and fine-tuning
- Led students to practice different functions of AI products in their learning, such as customized chatbots, voice chat, and retrieval-augmented generation

EAD 315 Student Leadership Training (Undergraduate)

Jan. 2025-May 2025

Teaching Apprentice (Co-instructor)

East Lansing, MI

- Designed lesson plans and class activities in the syllabus to organize class contents
- Co-taught the in-person class to develop students' individual and collaborative understanding of leadership based on the Social Change Model
- Assessed students' performance in presentation and written work to evaluate their developmental learning of leadership concepts and practices in the class

EAD 878 Education in the Digital Age (Graduate)

Aug. 2024-Dec. 2024

Teaching Apprentice

East Lansing, MI

- Co-designed readings and class activities to enrich students' learning of digital education
- Summarized students' discussion posts to generalize key themes of reflection

SCHOLARLY SERVICE

Peer-reviewer

- Journal of Comparative and International Higher Education (JCIHE) 2023-Present
- Journal of International Students (JIS) 2023-Present
- Reviewer for conferences such as AERA, CIES, CSSE, and CSSHE 2023-Present

HONORS & AWARDS

- Inclusive Teaching Grant, Dept of Teacher Education, Michigan State University (\$700) 2025
- College of Education Endowed Scholarship, Michigan State University (\$2,300) 2024, 2025
- Professional Development Fellowship, Michigan State University (\$1,000) 2024, 2025
- ICPSR Summer Fellowship, University of Michigan (\$3,800) 2024
- Graduate Leadership Fellowship, Michigan State University (\$2,000) 2023
